Subject: Exclusive Partnership for Poland,

We supply the company DIREKTA A. Peciak, S. Supernak Spółka Jawna with our complete product range, including rollers, wheels, press-on tyres, and other accessories for industrial trucks (especially forklift trucks, pallet trucks, and narrow aisle trucks) made of high-performance polyurethane materials such as VULKOLLAN® (including VULKOSOFT®, VULKOLLAN®-ELF, VULKOLLAN®-Quartz), VULKOLDYN®, TRACTOTHAN®, TRACTOSOFT®, TRACTOPUR®, PEVOPUR®, PEVOSOFT®, PEVODYN®, and PEVODYN-SOFT®.

Due to our strong and trusted partnership, we grant DIREKTA A. Peciak, S. Supernak Spółka Jawna the exclusive distribution rights for these products to dealers and industrial customers in Poland.

RÄDER-VOGEL is a well-known OEM supplier for all major forklift truck manufacturers worldwide, as well as for the spare parts market. We hereby confirm that all of our wheels made of VULKOLLAN®, PEVODYN®, and PEVOPUR®—whether for original equipment or the after-market—are manufactured exclusively in Germany to the highest quality standards. All products share the same technical properties. Our production is certified according to DIN EN ISO 9001 (Quality Management System) and DIN EN ISO 14001 (Environmental Management System).

The certificates will soon be available for download on our website: www.raedervogel.de.

If you have any questions or require further information, please do not hesitate to contact me directly.

Sincerely,

i.v. M. Schäfer
